

“In The Spot Light” Formally the “Gold Package”-

This package is perfect for one who has an idea, but would like to see a different concept or perspective in design.

- 3 logo designs
- 8 revisions

\$649

Deposit of 50% up front and remainder payable upon project completion

Preliminary Design Delivery

7 business days. Concept and creation of your logo design (1 color, 2 – 3 spot color or 4 color process) Up to 4 design revisions edits (revision rounds) to the preliminary logo of your choice. Revisions can generally be turned around in 3 business days. Once allotment of design revisions have been used up, subsequent logo edits and/or preliminary logo designs may be subject to additional hourly billing. Certain simple edits can still be performed at no charge. During all logo design projects, we try to be as flexible as possible. Contact your designer for further information. All revisions and changes must be by e-mail, verbal communication will **not** be accepted.

Design Restrictions

Illustrative logos not supported. Illustrative logo design requires the purchase of a Professional Package or higher. See our design help centre for a description of logo types. Contact our support department for further clarification, or evaluation of your particular project.

File Formats Delivered

Basic File Format bundle of your logo including print and web files. Delivered by e-mail or cd via mail. (US & Canadian clients only – International clients subject to S/H charge).

Copyright Transfer

Legal transfer of ownership rights to logo artwork, icon and/or illustration applies only to finalized design. Other unselected ‘work product’ design material remains the copyright and property of KeyLime Design & Marketing Inc. You may purchase additional design preliminaries (includes copyright transfer and basic file formats) for \$280.00 per design.

Add-Ons Included

N/A Logo only.
